(For students with IEPs or identified through child find): My decision to homeschool does not in any way imply that the school district did not provide a free and appropriate public education and I understand and agree that my student has no individual right to receive some or all of the special education and related services he would receive if enrolled in a public school in Cache County School District, unless I have arranged for dual enrollment consistent with state law, Section 53A-11-102.5 and Utah State Board of Education rule, R277-438.

The undersigned parent or guardian certifies by this affidavit that the student named above will attend a homeschool and assumes sole responsibility for the education of the school-age minor, except to the extent the school-age minor is dual enrolled in a public school as provided in Section 53A-11-102.5 of the Utah State Code.

The undersigned expressly prohibits the release of any and all information contained in this document, including directory information as defined in 20 U.S.C. § 1232g (a)(5)(A), without prior written consent by the undersigned. *See* 20 U.S.C. § 1232g (a)(5)(B). In Addition, the above information shall be classified as PRIVATE under Utah State law.
