Welcome to 3rd Grade DLI

Dear Parents and 3rd Graders,

We hope your summer is going great and that you are getting excited to come back to school. Below are some things that we would like you to know before the first day of school.

We hope you have been reading 20 minutes a day. If not, please start now. Please find and bring back your reading, “Green Pirate Coin” paper. You will need this for our first reward party. Practice your math facts with flashcards or timings as much as possible. We will begin multiplication and division, so make sure you know your additional and subtraction facts.
