NEWS RELEASE

The mission of the Cache County School District's Child Nutrition Program is to serve safe, healthy and enjoyable meals to the students of the Cache County School District. It is also our goal to provide a safe, clean and cheerful environment in the lunchroom and to give each student a positive experience during their meal.

Child Nutrition changes for School Year 2022-2023

Meals will **not** be free this year, we will be accepting free and reduced application starting now, each school within our district will be distributing free and reduced applications. We encourage you to go online and submit your free and reduced applications. Applications and meal prices are also available on our website at www.ccsdut.org under the Child Nutrition department.

School meals are a great value and a huge convenience for busy families! We look forward to welcoming your children to the cafeteria this school year.

Thank you,
Susan Wallentine, Child Nutrition Supervisor
