

Virtual Care

Doctor on Demand

With 24/7 access to online doctors, psychiatrists, psychologists, therapists and other medical experts, care is always available, anytime and anywhere. Select and see your favorite providers again and again, right from your smartphone, tablet or computer.

What It Costs

Doctor on Demand video visits are available to you and cost far less than a trip to the emergency room or urgent care. It's all part of the Surest plan to offer you more choices when it comes to your health care.

Use Doctor on Demand for:

- › Colds & Flu
- › Allergies
- › Skin Conditions
- › Headaches & Migraines
- › Urinary Tract Infections
- › Fatigue
- › Mental Health
- › And much more!
