Cache Valley Direct Books

Cache Valley Direct books are coming the beginning of October! The PTA is in charge of the fundraiser this year with books **ONLY available for purchase in the office**. Books **will not** be sent home for students to sell. With discounts on food, entertainment, health, home, automotive and more, this is a great family resource which also provides valuable funds to support student learning and growth at our school. The cost per book is \$30.

Note from our Health Aide

With our renewed focus on regular attendance at school this year, we also want to remind you that the CCSD illness policy states that when your child is sick, they should be kept at home. This includes vomiting, fever (above 100 degrees), diarrhea, and eye discharge. Students need to be free of these symptoms, without the aid of medication, for 24 hours prior to returning to school. Thank you so much! This helps keep students and staff healthy.

Welcome Back Nibley Nighthawk Families! It feels good (but a little hard) to get back into a routine. I'm looking forward to spending time with your students this year. I look forward to supporting you and your student/s. If you have any questions or concerns and would like to meet with us, please feel free to email me at: susan.pauslin@ccsdut.org.

Dear Nibley Elementary School Families,

As we step into the first full month of this school year, I am looking forward to the exciting journey that lies ahead for our young learners. It's so motivating to witness the enthusiasm and curiosity that fills our hallways, classrooms, and playgrounds each day. I want to extend a heartfelt round of applause to our students for their dedication and hard work. Their accomplishments, whether big or small, deserve to be celebrated.

Creating a safe and inclusive environment remains at the core of our values at Nibley Elementary. Our newly updated Nighthawk Norms have helped define our schoolwide expectations. This month, we are reviewing each aspect of what it means to be a BRAVE Nibley Nighthawk. In our classrooms and throughout the school, we are striving to strengthen our culture where every child feels safe, welcome and invited.

We appreciate your efforts to follow our drop-off/pick-up protocols. These have been carefully designed and implemented to help ensure the safety of all students. Please remember to pull all the way to the front of the line. As a reminder, if your child need help getting into the car, please pull past the front doors before loading. Thank you for your cooperation and willingness to follow the direction of our crossing guards and teacher support staff both before and after school.

As we move forward, I encourage you to stay connected with us. Reach out to me, your child's teacher, or our staff if you have any questions, concerns, or insights to share. Together, we can create an exceptional educational experience for our students.

Thank you for entrusting us with the privilege of educating your children.

Warm regards,
Principal Cindy King
