North Park Elementary requires each person that enters our school to check in at the office. As part of this “check in” process, visitors sign in and enter the time arrived and where they are going in the school. They also take a sticker badge to wear at all times while at North Park. When leaving, each visitor must “check out” at the office, record an exit time, and throw away their sticker badge. These procedures will also be in place during our classroom parties.

Some adjustments to this safety plan are as follows:

- **School assemblies in the gym:** The office will have sign in sheets for all visitors to enter their names, record the time they enter the school, and pick up a visitor’s sticker to wear while in the school. At the conclusion of an assembly, visitors will exit the building through our exterior gym doors. They do not have to sign out in this situation.

- **Dropping off items for students:** Visitors that need to drop off a lunch, homework, books, etc., will leave the items in the office and the student will pick up the items in the office when they are able to do so.

- **Pre-School and Friday’s Big Group Preschool Class:** Visitors dropping off preschool children for class will take a red visitors lanyard received in the office to identify they are taking a preschooler to class or picking a preschooler up at the conclusion of school. These lanyards should be returned to the office when exiting the school.

We need **ALL adults** to follow these safety procedures. If an adult is in our school building or the playground, they must be wearing an approved badge or a visitor’s sticker. Staff should escort visitors to the school office if they aren’t wearing an approved badge or visitor’s sticker. After assemblies, room parties, etc., parents must come to the office and sign their student out if they want to have the student leave with them prior to the bell ringing at the conclusion of the school day.

Thank you for adhering to North Park Elementary School’s safety protocols for visitors.

We appreciate your support in keeping our students safe!
KINDERGARTEN REGISTRATION

You can register your Kindergartener NOW instead of waiting in a line in March!

1. Register your upcoming kindergartener online, before coming to the school, by going to www.ccsdut.org/northpark and completing the online registration NOW.

2. Come to the school (anytime during office hours: 8:30am-4pm) with your child’s original birth certificate, immunization records and the 3 proofs of residency.

3. Your kindergartener will be all set and ready to start for the fall 2022 with no waiting in line!

REACH PROGRAM

If your child needs help with homework, think about signing them up for the REACH after school homework help program. A snack will be provided, homework help given, and a bus can take them home.

For further information or questions contact
Shelby Olson at Shelby.olson@ccsdut.org or
feel free to call her at 435-792-9281.

STEM FAIR

NORTH PARK ELEMENTARY

STEM FAIR
SCIENCE TECHNOLOGY ENGINEERING MATH

JANUARY 13 / 6:00-7:30 PM
STUDENT & COMMUNITY PARTNER EXHIBITS

JANUARY 14 / CLASS PRESENTATION DAY

Come to our STEM Fair!
Create a project to display and/or come see
projects, demonstrations, and activities from USU,
local technology businesses, community partners,
and volunteer scientists. Test out your skills at
directing an ozobot/mini robot through an
obstacle course.

There will be lots of hands-on fun!
STEM FAIR ENTRY FORM

NORTH PARK STEM FAIR

THURSDAY, JANUARY 13 & FRIDAY, JANUARY 14
ENTRY FORM DUE MONDAY, JANUARY 10

When: Thursday, January 13: 5:00-6:00 pm -- Set up
Thursday, January 13: 6:00-7:30 pm -- Exhibits open for you to
share what you have learned with friends and family.

We will also have several interactive exhibits from USU, local
technology companies, community partners, and volunteer
scientists on Thursday evening. Come join the fun!

Friday, January 14: Evaluations during school hours - you will
have an opportunity to visit with 1-2 evaluators to share what
you have learned. Projects will not be judged - we want
students to have fun and enjoy learning about science,
technology, engineering & math. Students will also have the
opportunity to share their projects with their class during the
school day. *Please clean up and take projects home at the end
of the school day.

Who: All students are encouraged to participate! You can work
individually, in a group, or with your family. All students who
participate will be recognized!

What: A good project begins with a question. Your project can
be an experiment, a demonstration, a scientific collection, or an
informational project.

How: If you are interested in participating, fill out the entry form
below, get a parent’s signature, and return it to your teacher by
Monday, January 10.

Questions: Call or text Mary Anne Thornley @ (801) 389-2671
