**COUNSELOR CORNER**

New Year, Same me...But I've got goals!! This month we are focusing on goals. In Kindergarten-Second grade we are learning about growth mindset and the importance to keep trying. We do that by focusing on 3 things we can do and 1 thing we can't do "YET". By adding the word yet we aren't giving up! In 3rd-6th, we are learning how to write SMART goals. Ask your student(s) about what kind of goal they set and see if there is a way to help them reach their goal. Remember, a goal without a plan is just a wish.
