**STEM NIGHT**

Hello, North Park Families!
Thank you to all of those involved in making our STEM Fair a success. We had a wonderful STEM night that highlighted our students’ projects. It was also supported by local community organizations that provided those in attendance with a wide variety of awesome displays and presentations. A big thanks goes out to our PTO, too, who does such a great job providing these opportunities for our students and families. We are so appreciative of all they do! See page 2 for some fun pictures of the activities.
