Hello wonderful families of North Park Elementary! We are excited to celebrate FAMILY WEEK beginning next week on Monday, Jan 30th - Feb 3rd. This will run the entire week and we will have a few fun activities that we hope you will be able to participate in.

A weeklong activity will be our Family Fun Bingo! We hope each child will participate in trying to get a “BINGO” by getting 5 squares in a row completed. Please initial any square that your child passes off. If they get 5 in a row, bring the completed bingo sheet with a parent signature, back to school by Friday to receive a treat! Each child will receive only one treat, but if you wanted to go for a blackout, that would still be so fun and a worthwhile accomplishment!

Our other big activity will be a family dance on Thursday, Feb 2nd at North Park. This will go from 6:30 - 8:00 pm. We will have ambassadors from Green Canyon coming to teach some line dancing. Small refreshments from Whips will be provided. Please come and dance the night away and make some happy memories with your child! We will be having a raffle as part of the dance as well, so come join in for a chance to win some fun family outings around the valley!

Included in the packet that students will receive that week are some resources and educational materials for families that we hope you find useful as you parent your children and foster relationships within the walls of your home. There are so many amazing places in Cache Valley that offer education and help, if needed. We encourage you to go through and read each paper, and hopefully something will be beneficial to you. Strong families don’t come by accident! Every effort can go a long way in creating strong family bonds!

When you are done reading the papers, use the instruction page to turn them into paper airplanes and have a contest! This will complete a bingo square and a memorable moment in your family!

We sure appreciate and respect all the amazing families we have here at North Park! Hope this week provides some opportunities for fun, for learning, for discussion, and we hope to see you showing off your amazing dance skills at the family dance!
