WELCOME BACK
Welcome back to school and Happy New Year! I hope that you and your children had an enjoyable break. Now we are excited to kick off 2022. We have fun things ahead for the remainder of the school year, beginning with our STEM Fest next week that includes a STEM Fair on Thursday night. Entry forms, signed by parents, are due by Monday, January 10th for any students that want to submit a project as part of the fest. We look forward to seeing the students' projects!

KINDERGARTEN REGISTRATION
It is time for Kindergarten Registration for Fall of 2022!!! We would love to have you register your upcoming kindergartener by going to www.ccsdut.org and completing the online registration as soon as possible. If you could then bring in your child’s original birth certificate, immunization records and the 3 proofs of residency we could get your child all finalized and ready to start for the fall.

SCHOOL VISITORS
ALL school visitors need to first come to the office to sign in and receive a visitor badge or sticker before accessing any other areas of our school for any reason. Thank you for supporting us as we keep our school safe.

NORTH PARK SERVICE CLUB
The North Park Service Club will have their first meeting on Wednesday, Jan 19th, at 3:45 pm in the gym. All students are welcome to join. Transportation must be provided by parents. Permission slips with more information will be sent home with all students and those who would like to attend must have a signed permission slip to participate.

ENTRY FORM DUE MONDAY, JANUARY 10

When: Thursday, January 13: 5:00-6:00 pm -- Set up
Thursday, January 13: 6:00-7:30 pm -- Exhibits open for you to
share what you have learned with friends and family.

We will also have several interactive exhibits from USU, local
technology companies, community partners, and volunteer
scientists on Thursday evening. Come join the fun!

Friday, January 14: Evaluations during school hours - you will
have an opportunity to visit with 1-2 evaluators to share what
you have learned. Projects will not be judged - we want
students to have fun and enjoy learning about science,
technology, engineering & math. Students will also have the
opportunity to share their projects with their class during the
school day. *Please clean up and take projects home at the end
of the school day.

Who: All students are encouraged to participate! You can work
individually, in a group, or with your family. All students who
participate will be recognized!

What: A good project begins with a question. Your project can
be an experiment, a demonstration, a scientific collection, or an
informational project.

How: If you are interested in participating, fill out the entry form
below, get a parent’s signature, and return it to your teacher by
Monday, January 10.
