MESSAGE FROM THE PRINCIPAL
North Park Families, we want to thank you for the support you provide to your students and our school community. We are fortunate to work together to help students grow and develop. Our school staff recognize the efforts you make and we hope you will continue to be an integral part of our community. We can do great things when we work together! We appreciate you!
Jullie Payne, Principal

AFTER SCHOOL HOMEWORK HELP
If your child needs help with homework, think about signing them up for the REACH after school homework help program. A snack will be provided, homework help given, and a bus can take them home. For further information or questions contact:
Shelby Olson at shelby.olson@ccsdut.org

SAFE WALKING ROUTES SURVEY
Cache County’s Trails and Active Transportation Program, in partnership with North Logan City, is in the process of applying for funding to fill the sidewalk gap on the west side of 800 E between 2660 N and 2755 N, across the street from North Park Elementary. They have created a survey for parents to fill out in order to gauge usage along 800 E. This survey also asks about other areas of concern to help address where there may be vehicle conflict with children.

This survey will be used to help assess the safety concerns of the students walking to school along 800 E and will help Cache County and North Logan City prepare the grant application. Please take a few minutes to fill out the survey attached to this document before the end of the day Wednesday 10/6/2021. Thanks for taking the time to help keep our students at North Park safe.

CACHE VALLEY DIRECT BOOKS
We had our kick-off assembly for Cache Valley Direct books on Monday, Oct 4. We will be sending home the order form and one Cache Valley Direct book with each student on Thursday Oct, 7. For student safety, please no door to door sales. For the fundraiser this year we will be earning money to update and replace our security cameras.
Thank you for helping us accomplish this goal!
