SPRING BREAK

SPRING BREAK is almost here! April 4th-8th

PARENT INPUT FOR 2022/23

Your child’s class placement is important to us. We consider many things in order to ensure balanced classrooms which create the best learning environment for students. During the placement process, student assignments are made based upon factors such as: a balance of academic abilities, social relationships, and student strengths and needs. Parents can provide our school with valuable information that might otherwise not be known. If needed, you may pick up a Parent Input Form in the office starting Monday April 11, 2022. This form should be turned in to the school office no later than 3:00 pm on Friday, April 29, 2022.

DRESS CODE

Students should dress according to the conventions of good taste while in school. Clothing should be neat and clean. Clothing will not be permitted that suggest violence, drugs, obscenity, gang activity, or other offensive themes. Shorts, skirts, and dresses must not be shorter than the length of one’s fingertips while arms are down to the sides. Shirts must cover one’s midriff during all activities. Tank tops, shirts with “spaghetti straps” and the like are unacceptable. Hats, beanies, and bandanas are not to be worn in the building. Shoes should be worn that are appropriate for school recess, and P.E. (Plastic flip-flops tend to break causing problems for everyone). We appreciate you working with us to eliminate distractions to our learning environment.

Dear Families,

We are excited to announce that we will be hosting our annual "Knights on the Run" fundraiser on Friday, April 15!

WHAT IS KNIGHTS ON THE RUN?

Students will have the opportunity to run or walk laps around the playground to "earn" donations from family and friends who sponsor their run. We'll have music, refreshments, and prizes! This year we are streamlining our fundraiser by asking for simple donations rather than using a pledge per lap format. Since the kids love counting their laps, they will earn a raffle ticket each time they pass the finish line to be entered into a drawing for prizes! We hope this will be a fun family event, so we invite each of you to come run with your students or just cheer them on! Grade level running times will be announced soon.

WHY DO WE NEED A FUNDRAISER?

Our PTO is a volunteer organization that operates solely from donations. Your generosity brings the following fun events and programs to life each year for our students:

- Family Book Quest
- STEM Fair
- Artists of the Round Table
- Safety Week
- Field Day
- Family Week
- Teacher Appreciation Week
- Birthday Table
- End of Year BINGO
- School Gift (Most years we sponsor grade level field trips)

In order for us to continue these fun programs for the coming school year, we are asking for your support. To meet the minimum goals for the PTO's 2022-2023 budget, we hope to raise $15/child. You can make a simple donation, purchase an 8.5"x11" shout out poster with your student’s name to be displayed around the running track, and/or donate raffle prizes for the runners. Please know that these donations are not required. We understand that this is not in everyone's budget and are so grateful for any amount you are willing to provide.

Please share this flyer with grandparents, friends, and anyone you know who would like to support your runner. We will be collecting monetary donations until Friday, April 22nd. Raffle prizes should be brought to the school by Friday, April 8. Thank you for supporting our PTO and we hope to see you at Knights on the Run!

Better Together is a family education and activity program at The Family Place. It provides positive interaction opportunities for parents and children as well as information about child development and the impact of trauma on children for parents. It is designed for families who have experienced trauma, although any interested families are eligible to attend. It is a free, 12-week course. Six of the classes will be Zoom classes where families and the instructors meet together. Families are provided with dinner on all 6 of these class nights. Following dinner, we spend 15 minutes completing a mindfulness activity and practicing emotion regulation techniques and skills. Following that, the family has about an hour to participate in developmentally engaging and appropriate activities together. Classes are available for 4 age groups: 0-2-years-old, 3-5-years-old, 6-11-years-old and 12-18-years-old.

During the other 6 weeks, parents are provided information about development and the impact of trauma on development as well as practical suggestions for supporting healthy development.
