**PARENT INPUT FOR 2022/23**

Your child’s class placement is important to us. We consider many things in order to ensure balanced classrooms which create the best learning environment for students. During the placement process, student assignments are made based upon factors such as: a balance of academic abilities, social relationships, and student strengths and needs. Parents can provide our school with valuable information that might otherwise not be known. If needed, you may pick up a Parent Input Form in the office starting Monday April 11, 2022. This form should be turned in to the school office no later than 3:00 pm on Friday, April 29, 2022.

**PTO MEETING**

The next PTO meeting will be May 4th at 10:30 am at the school. We will be voting on our new board members for the next school year, all PTO members are welcome to vote. If you would like to be involved please come the meeting. It’s a great way to be involved at North Park.
