Hello, North Park Family! We are excited to wrap up the 2022-23 school year. Thank you for all of your support throughout the school year. We’ve had a wonderful year with awesome parent, community, and PTO support that has included memorable activities, events and assistance for our whole school community. We are grateful you are part of our school team and hope you all have a wonderful summer. There are some great activities to wrap up the school year so make sure to notice the events in our calendar section. We look forward to seeing many of you next year and wish the very best to our sixth grade students and those that are moving away from North Park Elementary.

Sincerely, Jullie Payne  Principal

---
