WELCOME BACK!
Welcome back to school, North Park Knights & Families!
We are excited to start another school year and spend time learning and having fun together. I encourage you to become a part of our North Park community as a volunteer, School Community Council member, or as you support your child in school activities throughout the year. Please consider volunteering through our Parent Teacher Organization (PTO) as one way to become an active part of our school community. Reach out to me, your child’s teacher, or the office if you have any questions or concerns about school. Let's make it a great year together! Thank you!
Sincerely, Jullie Payne- Principal

SCHOOL COMMUNITY COUNCIL
We have 4 openings for parents on our School Community Council (SCC). Every public school in Utah has a School Community Council. The councils are made up of school employees who are elected by employees and parents who are elected by parents of students attending the school. Membership terms are for two years. Elections are held at the beginning of each school year. Parent members must have a student attending the school at least one of the two years of their term of service. Employees must be employed by the school district at the school. The council reviews and prepares school-wide academic plans for our students each year along with assisting in other decision making processes for the school. All SCC plans are reviewed for final approval by our school board. Councils also act in an advisory capacity to school and school district administrations. The North Park school community council will meet at 4 pm on the first Wednesday of the month.
Candidacy Forms are in the office or found on our website. The forms are due Sept. 5, 2022 by 4 pm. Elections (if necessary) will be held Tuesday, Sept. 6th until Thursday, September 15th at 4:00 pm.

**REACH PROGRAM 1st-6th GRADE**

North Park Homework Support

If your child needs help getting their homework done we have an after school homework support program. This program is open to any student in 1st-6th grade that want to participate. The program starts August 29, 2023 and will run through May 2, 2023. It is Monday-Thursday from 3:35-4:30. Homework Support focuses on helping students with what they are currently learning in their regular school day classroom. Usually this refers to math and reading homework but may also include any other work that the classroom teacher has asked them to complete. An after school snack will be provided. There will also be a bus to take children home at 4:30 if needed. If you would like to participate please fill out the after school registration form and return it to the office or the child’s classroom teacher. For any questions regarding the program please contact:

Shelby Olson at 435-890-3471.

**LEES CENTS PROGRAM**

Once again, we are doing the Lee’s School Cents program. This year they would like to go digital instead of doing the paper receipts. If you shop at Lee’s Marketplace please go to their website and link your account to North Park. At the end of the school year, they will not be collecting receipts; our school rewards will come from linking your account to NP Elementary. Here are the steps to follow:

1. Go to https://leesmarketplace.com
2. Log into your rewards account or set up a rewards account
3. Click on Rewards
4. Click on Non profits
5. Click on North Park Elementary School

Thank you!
