North Park Knights

WELCOME BACK
We are excited to start another school year and spend time learning and having fun together. I encourage you to become a part of our North Park community as a volunteer, School Community Council member, or as you support your child in school activities throughout the year. Please consider volunteering through our Parent Teacher Organization (PTO) as one way to become an active part of our school community. Reach out to me, your child’s teacher, or the office if you have any questions or concerns about school. Let’s make it a great year together! Thank you!
Sincerely, Jullie Payne - Principal

SCHOOL COMMUNITY COUNCIL

We have 3 openings for parents on our School Community Council (SCC). Every public school in Utah has a School Community Council. The councils are made up of school employees who are elected by employees and parents who are elected by parents of students attending the school. Membership terms are for two years. Elections are held at the beginning of each school year. Parent members must have a student attending the school at least one of the two years of their term of service. Employees must be employed by the school district at the school. The council reviews and prepares school-wide academic plans for our students each year along with assisting in other decision making processes for the school. All SCC plans are reviewed for final approval by our school board. Councils also act in an advisory capacity to school and school district administrations.

Candidacy Forms are in the office. The forms are due Sept. 3, 2021.

Elections (if necessary) will be held Tuesday, Sept. 7th until Thursday, September 16th at 3:35 pm.

LATE START SCHOOL DAY

Cache County School District is holding an early morning training for all employees on **Tuesday, September 14th**. This training will require the district to follow their late start schedule. **SCHOOL will start at 11:05 am.**

Bus schedules will move back 2 hours from their normal AM pick up times. AM kindergarten and preschool will be cancelled, but PM sessions for these classes will continue at their regular time.

TRANSPORTATION CHANGE

Our district’s transportation department has to make some changes to the parent transportation zone and bussing boundaries for North Park Elementary next year. The state regulation for the walk boundary/parent transport zone is 1.5 miles. Because 3100 N is now finished, this has changed the areas that are in the walking boundary. Go to [http://transdata.ccsdut.org/smap.htm](http://transdata.ccsdut.org/smap.htm) to view these changes.
