**SCHOOL COMMUNITY COUNCIL**

We have 3 openings for parents on our School Community Council (SCC). Candidacy Forms are in the office or included in this newsletter. The forms are due Sept. 5, 2022 by 4 pm. Elections (if necessary) will be held Tuesday, Sept. 6th until Thursday, September 15th at 4:00 pm. The North Park school community council will meet at 4 pm on the first Wednesday of each month.

What is an SCC? Every public school in Utah has a School Community Council made up of parents who are elected by parents of students attending the school and school employees who are elected by employees. Membership terms are for two years. Parent members must have a student attending the school at least one of the two years of their term of service. Employees must be employed by the school district at the school. The council reviews and prepares school-wide academic plans for our students each year along with assisting in other decision making processes for the school. All SCC plans are reviewed for final approval by our school board. Councils also act in an advisory capacity to the school and school district administrations.

REACH PROGRAM 1st-6th GRADE

If your child needs help getting their homework done we have an after school homework support program. This program is open to any student in 1st-6th grade that want to participate. The program starts August 29, 2023 and will run through May 22, 2023. It is Monday-Thursday from 3:35-4:30. Homework Support focuses on helping students with what they are currently learning in their regular school day classroom. Usually this refers to math and reading homework but may also include any other work that the classroom teacher has asked them to complete. An afterschool snack will be provided. There will also be a bus to take children home at 4:30 if needed. If you would like to participate please fill out the after school registration form and return it to the office or the child’s classroom teacher. For any questions regarding the program please contact:
