

HEALTH COMMISSIONER

Vision Screening-done in September/October

The Health Commissioner will:

- 1-2 Weeks before: confirm scheduled date with the school principal & verify there are no interfering activities.
- Coordinate with school custodian to have necessary equipment set up: 2 chairs and 1 desk per lane. We need a minimum of 6 lanes at each school, depending on the size of the room, & the number of volunteers available to help. In the afternoon, where there are afternoon kindergarten classes, there are normally 2-3 lanes.
- If possible, no split shifts.
- Call & line up volunteers to help with Vision Screening. 2 volunteers per lane are needed. One person is needed to be a “runner”, who directs the children and notifies the classes when to come
- Coordinate with the principal and kindergarten teachers to schedule time for afternoon kinder screenings. Time/location/volunteers to return to assist with screening.
- Obtain absentee list from the school secretary and deliver it to the school nurse.
- Put a notice in the school newsletter/website notifying parents of screening.
- Volunteers must be trained by school nurse** before Vision Screenings may start. Please be on time.
 - **Elementary**
 - Volunteers needed - 10-15
 - Volunteers for pm Kinder classes - 4
 - Start Time - 9:00 am
 - Start Time for pm Kinder – coordinate with principal
 - **Secondary**
 - Volunteers needed - 6
 - Start Time- 8:15 am

Maturation done in February/March

The Health Commissioner will:

- Verify scheduled date with the school principal.
- Coordinate with school principal to make sure permission slips have been returned for each child.
- Provide refreshments for parents & children following program, as per principal instruction.
- 1pm-2pm- Bear River Health will provide a Parent Meeting.
- 2pm-3pm- Maturation Program for 5th grade students - parents invited to attend.
