

# Sunrise Elementary Reading Counts Program 2019-2020

Dear Parents,

We are excited about our Reading Counts Program for this school year. All students in 2nd-6th grade will be participating. We look forward to your continued support in helping your students achieve their reading goals. In an effort to reduce class disruption, please encourage your children to take extra tests in the morning before school.

Many of the books your students read have a Reading Counts Test (RC) associated with them. Please scan the QR Code to access the online search tool for RC Books. This tool can help you find RC Books and check test point values. *Scan the code and bookmark it for easy reference:*
