September 2020 Newsletter

Reading Counts will begin Sept. 8th!

A trifold brochure will come home in your child's backpack this week.

From Principal Ivie:

Dear Parents,
Thank you for an overall wonderful first week and a half of school. We appreciate your patience as we are implementing new routines and working out the kinks that go with these routines. We ask for continued patience and support from families. Please make sure if you have a concern to visit with your child's teacher first and foremost. If you have a school-wide concern, please contact me at amyivie.bassett@ccsdut.org. Thanks for sharing your awesome kiddos with us!
Love,

Mrs. Ivie and Staff

For Students

Be A Smart Cookie! (Student of the Week)

Last year students were nominated by their teachers to be our student of the week and enter the "Principal's Circle". This year, students entering the "Principal's Circle" will be getting a cookie gift card. Teachers are looking for students that are good friends and examples to all, hard workers, and responsible for their own actions. We will pick one student each week!

Principal 200 Club

Beginning Sept. 8, (15) Principal 200 Club tickets will be put in random teacher's mailboxes to be given to students "caught" doing good things. This will happen each day! Students that receive the Principal 200 Club ticket will come to the office at the beginning of the next school day to turn in their ticket, sign our celebrity book, and have an office staff member make a phone call home to parents celebrating the wonderful thing that their child was "caught" doing. Students will draw a number between 1-200 and place their name on the Principal 200 square that matches the number. When there is a row or column filled, like BINGO, those students will be called down to the office to see what their mystery activity/prize is. We are so excited about the Principal 200 Club!
