Welcome back Cedar Ridge Falcons! I am excited to start this new school year with each of you. I look forward to getting to know new families attending Cedar Ridge and continuing to develop relationships with parents, the community, and our students. My philosophy is simple: this is team Cedar Ridge. Please call your child's teacher first and for most if there is an issue in the classroom and don't hesitate to reach out to me if you need more support. Working together as administration, teachers, parents and students will ensure that everyone is safe, happy, well adjusted and learning at Cedar Ridge. This year’s Theme at Cedar Ridge is "Unleash the Hero inside." I believe that we have control over our own destinies. We choose our attitude each day and others do not determine how we feel about ourselves. We can be a "Hero" in others lives by being Helpful, Encouraging, Respectful and On task. Everyone belongs at Cedar Ridge and we are all a part of the Cedar Ridge Family. Here’s to another great school year!
