Happy Fall! We have a lot of activities coming up this month! Make sure to mark your calendars so you don't miss anything! We appreciate all the support you give our school. Our first trimester is quickly coming to an end. The last day of the trimester is November 11th. Please check with your students for any missing assignments or unfinished work that needs to be turned in. Every week we give students a list of their missing assignments so they stay up to date on what needs to be turned in. Sometimes the difference to a student's success in class is an involved parent.

Please let us know if there is anything we can do to help. Our counselors are always available. You can also email any teacher with any questions or concerns. Monday, November 14 is a transition day in between trimesters and there will be no school.

****Spartan Food Drive**

We are having a food drive to benefit local food banks. It will be Nov 15-22. Please bring non-perishable food items to your 1st hour class. Winning classes will get a donut party!!

I SERVE Forms are available in the counseling office. This is an opportunity to help your student earn credit and prizes for the service they do. Hours accumulate all the way up to graduation! Help them get started today!!
