What is FLEEx?
➢ Flex is a class period between 1st and 2nd hours, Monday- Thursdays. (There are no FLEEx classes on Fridays).
➢ All students will be assigned a FLEEx class, with one of their current teachers.
➢ Students can use the FLEEx hour to complete homework.
➢ Students can also use a FLEEx pass to make up tests or get homework help in any of their classes.

What happens if I fail FLEEx?
➢ FLEEx grades are pass/fail, and are primarily based on attendance and participation. If a Senior fails FLEEx, they will lose the privilege of walking across the stage at graduation unless they complete specific requirements determined by the Administrators.
➢ Students in grades 9-11 who fail flex will also need to complete specific requirements in order to improve their grade.

2023-2024 school year FLEEx class dates:
