

In Attendance: Cheryl Benson, Monica Edelmayer, Randy Glover, Holly Gunther, Shelly Halling, Stephanie Hamblin, Kristy Marshall, Kim Parkinson, LeeAnn Peterson, Shane Jones, Darren Perkes, Jared Storrs, Dave Swenson

- 1 - Welcome by Shelly
- 2 - Review and accept January minutes - unanimously approved
- 3 - Hats Off Nominations - they are due March 15th. Also Shane Jones has been named Assistant Principal of the Year. Darren Perkes presented the award at recent principal conference in St. George
- 4 - AP Scores and Data - Cache County School District ranked in the top 5 for AP Pass Rate. The school pass rate is 75%. The average ACT Composite score for seniors last year was 25. February 20th the ACT will be held for juniors.
- 5 - Freshman Transition - School mental health professionals are sometimes 2 to 3 months out to be able to see anyone. There is a push for social and emotional learning and the hope is to address these topics in freshman transition. However, meeting once a week for 25 minutes is not enough time to accomplish the goals that are desired. This will become an official class for freshman. This idea sparked a discussion about graduation requirements.
- 6 - School safety - There are high emotional and stress levels at the school and the saying is that depression is in the past and anxiety is in the future. A student's GPA will get them to college and their social and emotional skills will get them through it. The goal is to familiarize the teachers through positive-present curriculum and training.
- 7 - Green Canyon gives Back - This event is a community event, not a high school event and it will be held April 29, 2019. Donations are being accepted to be used as door prizes and can be given to LeeAnn Petersen
