

## Green Canyon High School Community Council

November 14, 2018

Attendees - Dave Swenson, Randy Bennion, Cheryl Benson, Holly Gunther, Kim Parkinson, Kristy Marshall, Monica Edelmayer, Rhonda Wright, Shelly Halling, Clint Fullmer, Christi Carroll, Teri Rhodes, Mariah Checketts

The meeting was called to order at 7:05 am.

Cheryl Benson moved to accept the minutes from the October meeting; Kim Parkinson seconded the motion. The vote was unanimous to accept the meetings from the October meeting.

A new program, Food for Schools, has been implemented county-wide. It is funded by Dell Loy Hansen. Green Canyon will receive a weekly food delivery, including convenience foods, fresh bread, fruit, and hygiene items. Question - how do we get the word out that this resource is available? Several suggestions were made, including:

- Letting ecclesiastical leaders know what is available so that they can refer those who could benefit
- Having the school district publicize on their website, social media and through email
- Encouraging teachers to let students know of the on-site supplies available

This will be a continuing agenda item so that we can follow up and make sure that we help distribute the resources in a timely manner.

The evacuation drill was a huge success. Thanks to Greenville Elementary for their support and cooperation. The Greenville soccer fields were used to organize students into zones and by teacher. In the event of a real evacuation, students will be checked out by parents through the gates to the field. The plan is to re-do the drill in the spring to reinforce the training for students and staff.

The Veteran's Day Assembly was last Friday. Great job to everyone!

We are still working on PLC training for teachers as specified in our School Improvement and Trustland Plans. 8-10 teachers attended the Solution Tree Conference in Salt Lake City, which emphasizes professional learning communities and Grading for Learning.

Aspire Plus Testing Dates have been set.

- Sophomores - April 29th and 30th from 8-11 am with testing in 90/60 minute sessions on day one and 90/45 minute sessions on day two, followed by a 30 minute lunch and 1st-5th hour classes for 25 minutes each.

- Freshmen - May 1st and 2nd from 8-11 am with testing in 90/60 minute sessions on day one and 90/45 minute sessions on day two, followed by a 30 minute lunch and 1st - 5th hour classes for 25 minutes each.

Aspire Plus is a hybrid ACT/SAGE test that replaces SAGE testing. Will benefit students by introducing them to the ACT format of testing.

Testing will be in 12 classrooms in the school with one computer lab per router so that the wifi system will not be overloaded.

The meeting was adjourned at 8:00 am.

Our next meeting will be on Wednesday, December 12th at 7:00 am.
