

Sunrise Elementary Reading Counts Rewards Program

Dear Students and Parents,

There are 3 award days remaining for students to earn Reading Counts Rewards. We are sending this letter to ensure that all students, with parent support, are working towards earning the award: Rock the Halls. This reward program is sponsored and funded through the Sunrise Elementary PTA. The goal for the PTA is that all 2nd-6th grade students have the opportunity to Rock the Halls. Please take a moment to review your students points, and help them to find success in reading, through completing Reading Counts Tests . Help your student set goals to achieve this purpose.
