Attendance Policy

Excessive absences have a negative impact on student learning due to missed instruction. Parents may access student attendance records and sign up for attendance alerts by phone, text, or email using **PowerSchool. Parents/guardians have until one week after the absence to excuse it.** Attending school is the responsibility of the student and their parents or guardian. Utah State Law requires all students to attend school until students are 18 years old. We understand there may be illness or special emergencies that require students to be absent from school. Attendance letters will be mailed home as indicated below in order to keep parents informed of student absences.

We urge parents to help their students by not scheduling activities or doctor appointments for your students during school time or keeping students home for non-emergency family business. Excessive absences will be reported to juvenile authorities. Parents who willfully allow or keep their students out of school for inappropriate reasons are guilty of educational neglect. (UCA 53A-11-103)

Absences Procedures:

- Students arriving after school has begun, need to report to the office for an admit slip and will not be admitted to class without it. A parent/guardian should accompany their student into the school to officially check them in or call the Attendance Secretary, **792-7729**, to explain the reason for being late.
- School activity absences will be automatically school excused.
- Absences must be verified by a parent/guardian within one week after the absence. **The school attendance phone number is 792-7729.**
- After being absent, it is the student's responsibility to contact their teachers, make-up any missed work, and return it in a timely manner.
- If your student has been marked incorrectly in a class, please have your student speak with the teacher directly the following day to have the attendance adjusted. This information can be found in Powerschool.
- It is best to contact teachers directly regarding missed work. Additionally, students and parents/legal guardians are encouraged to utilize applicable teachers' Canvas pages to access missed work.

School Interventions for Absences (Reset each trimester):

- 45 class periods (7 days) = 1st Attendance concern will receive a call home.
- 60 class periods (10 days) = 2nd Attendance letter mailed, student meeting with counselor to evaluate & discuss strategies to improve attendance.
- 90 class periods (15 days) = 3rd Attendance letter mailed, mandatory meeting between administration and legal guardian/parent(s).
- 10 consecutive days = State Law requires the student to be unenrolled from the school.

Assembly Behavior

Students will have the opportunity to experience a variety of assembly programs during the school year. Inappropriate behavior in school may keep students from attending assemblies. There is a standard of conduct that is expected of all students while in attendance of assemblies. It is that you:

- Report to your assigned class before attending an assembly.
- Attend assemblies; sit with your assigned teacher and class.
- Do not bring food or drink to the assembly area.
- Assemblies are considered to be academic time; therefore, cell phones, technological devices are to be turned off and put away.
- Give polite attention to the speaker or performers. Clapping is appropriate. Talking, whispering, whistling, yelling, stamping feet 'booing' are discourteous.

Awards

A special assembly will be held at the end of the year to honor 4.0 students, Honor Roll (3.667 GPA) students, attendance, academic excellence, departmental awards, as well as other school related awards students may have earned over the course of the school year. North Cache faculty and staff are extremely proud of the students who qualify for these honors and enjoy celebrating their successes.

BARC Time

BARC Time is an academic session which allows teachers to assign a student to attend their intervention session for that day. (Mon-Fri). If a student is not assigned by a teacher, they may select an Open Session.

- Students who have been assigned to a BARC Time session will report to their designated teacher to receive re-teaching/tutoring, take/makeup exams/quizzes or labs, and/or complete or gain help with homework.
- Open sessions may include: digital homework, silent reading, study hall, curriculum extension activities, open gym, curricular clubs.
- **PRIORITY DAYS:** Each day, (M-F), a different subject/group of subjects will be given priority; meaning, if a student has multiple teachers requesting their attendance for their BARC session, they must attend the session which has been assigned as a priority for that day.

Backpacks

Backpacks/bags may be used to transport books and school supplies to and from school. **Backpacks/bags are not allowed in the hallways or classrooms during school hours.** According to the Utah Safe School Act, any backpack or bag coming onto school property is subject to search.

Bulldog Activities

Games, contests, and other activities will be held throughout the school year. Students may enjoy competition with other North Cache students during lunchtime intramurals.

Closed Campus / Student Checkout

Closed campus means that students may not leave the school grounds at any time during the day, including lunch, without a parent checking them out inside the office. **Parents/guardians must come into the office to check out their student, no student will be released to walk out of the school and meet their party.** If students leave campus, they become the responsibility of the parents/guardians. Students who leave campus without proper permission are subject to Richmond City's Truancy Ordinance # 99-4.

Citizenship Grades:

Citizenship grade guidelines are to be determined by the classroom teacher. Citizenship grades impact eligibility for the mid and end of year Incentive Activities, as well as high school, student leadership opportunities.

Communication between Home and School

CCSD schools use PowerSchool as an Internet tool to assist in effective communication between home and the classroom. All parents must sign up in PowerSchool in order to receive phone, email and/or text communication from the school about grades, attendance, and school alerts.

North Cache will allow the use of electronic devices such as cell phones, iPods, etc. before and after school and during lunch breaks as long as they do not create a distraction or a disruption. Students needing to use their phone at other times during the day may arrange with a teacher in their classroom or in the office. **Use of cell phones is strictly prohibited in classrooms, locker rooms, restrooms, and shower facilities.**

If there is reasonable suspicion that the cellular/technological device was used in the transmission of picture(s), recording(s) of a person(s) from a bathroom, locker room, and/or dressing area, the building administration may search the contents of that device, may confiscate the device, and/or contact local law enforcement representatives and make the appropriate reports” (CCSD School Board Policy).

Whenever school funding is possible, a wide variety of intramural activities will be offered during the lunch hours. We encourage all students to participate.

Lockers

Each student will be assigned a locker. Lockers should be kept neat and clean (no stickers). Overfilling or forcing the locker door closed may result in damage to coats, backpacks, and lockers. It will also result in jammed lockers. Students must not change lockers without the consent of the administration. Students should keep their locker combinations private. Do not share or use a locker that is not assigned to you. Lockers are subject to random searches.

Lunch

Students may choose a school lunch or bring their own. The National School Lunch Program waiver that provided meals at no charge to students has expired. This means that school meals will no longer automatically be no charge for everyone and you will need to submit an application to qualify for free/reduced breakfast and lunch.

To determine if your child is eligible for free or reduced lunch, fill out the form, or contact the office for a printed form. EZMeal Application (Free and Reduced-price lunch Applications and information)

For the 2022-2023 school year, a student may have one meal from the Main Line, Sandwich Line, or Pizza Line for \$2.35 per day; Ala Carte items will vary in price. If a student reaches a negative balance of \$6, their lunch card will be taken and held by the lunch secretary until the negative balance is brought back to at least a zero balance. In this case, your student will need to go to the lunch secretary to receive a sack lunch until the negative balance is paid.

Your student ID card is also your lunch card. Do not deface it. If a student damages or loses their ID card, they may purchase a replacement in the office for \$1.00.

Costs:

- Breakfast - \$1.75/day (Served: 7:15-7:35 AM)
- Lunch- \$2.35/day: Main Line, Sandwich Line, or Pizza Line
- Ala carte items will vary in price. Items must be purchased with the student's lunch card; no cash will be accepted.

Lunch menus can be accessed on our school's website by clicking on the Quick links.

Lunch fees can be paid through EZSchoolPay.com. They can also be paid by cash or check in the school office. To check your students' account balance, utilize EZSchoolPay, as it will have the most current balance listed. If you are using PowerSchool to check your balance, it may not be correct. PowerSchool can take several days to reflect a deposit on your account.

Please keep North Cache a beautiful place by placing all litter in waste receptacles.

Violation of these expectations and disregard to corrective directives by a student(s) may result in assigned school service learning.
