

## Welcome Heritage Preschool Students 2022-2023

I hope that you all have had a relaxing and fun summer break! I have enjoyed my time with my family doing some of my favorite things! Swimming, going to Bear Lake, jeep rides, and some late nights! For parents new to my preschool program, I would love to tell you a little bit about myself! My name is Kami Antriyao (a.k.a. Miss Kami), I have been teaching preschool special education since 2006. I graduated with my B.S. from Utah State University in Severe Special Education with an emphasis in Early Childhood. In 2016 I finished my Master's program and received my Education Administration and Leadership degree. Please know that each student in my classroom is very important to me! One of my favorite quotes is, "If a child hasn't learned something, we never assume it's because he can't; it's that we haven't found a way to teach him yet!" This is my moto each day! I can't wait to get to know your child and do all I can do to help them achieve success!

The first day of school for our preschool class will be Monday August 22. AM class will go from 9:05-11:35 and PM class will go from 1:05-3:35. The bus drivers will be calling you a few days prior to school starting to let you know what time they will be there to pick up and drop off your child. If your child will be dropped off by you or a daycare provider, please plan to meet my aides and myself out by the bus drop off at the time stated above. It works out best for us to walk in together as a class!

The following are ways that we will be able to stay connected!

- Class TAG app- You will be receiving a text to invite you to sign up for classtag! This is going to be where I make class announcements, etc. **PLEASE** make sure you have joined our class!
- I have an app that is a **TEXTING APP ONLY**.
  - **TEXT MESSAGE PHONE NUMBER (435) 879-3967**
- Communicate with me through email. [Kami.antriyao@ccsdut.org](mailto:Kami.antriyao@ccsdut.org)
- Phone calls- Heritage Elementary 435-792-7696 ext. 2945

**If you would like to communicate with me daily, I will need to hear from you as well!** Please text or email how your child is doing at home, if you have any questions for me, or simply "please let me know how my child did today!" I still occasionally write to parents if we have had an extra great day or a harder day than normal. I will communicate with you however often you would like to communicate with me! Please remember I have lots of students in my classroom and can't make contact with every parent every day!

**Back to School Night will be on August 17, 2021 from 5:00-6:00.** This will be open house style. Please feel free to drop in any time between that hour! It will be a great time for the kids to find their cubbies, meet me and see the classroom! I will also try and get their back to school picture that night. You will also be able to pick up the back to school packet that evening. If you can't make back to school night, we will send the packet the first day of school. Each student should also bring a backpack each day to school. If your child is not potty trained, please supply us with diapers and wipes for your child. Most parents send a package of diapers that we keep in the classroom and when we are running low, we will let you know that your child is in need of more diapers.

Please remember if you have questions to please reach out to me! I am excited for a great year of school!

Mrs. Kami
