BIENVENIDOS A TERCER GRADO

Welcome to Third Grade

Dear Parents,

We are very excited to be your child's teachers! We look forward to getting to know you and your child, as we become partners in helping your child to have a happy and successful educational experience. We believe communication is key to success in our classrooms. We will do our best to keep you informed as to what is happening at school through email or by phone.

Please feel free to contact us with any questions or concerns. We do ask that any communication is to both of us, so we both know what is happening with our students. We both check emails frequently, so this is a good way to get in touch with us. **Our emails are** mandy.gordon@ccsdut.org and geraldine.andia@ccsdut.org

Recommendations:

- **Spanish:** When students do not practice during the summer there is always some loss. Here are a few suggestions:
 - Visit Logan Library. There are some Spanish movies, books, and audiobooks that your child can use to keep their Spanish skills up.
 - Nowadays, all movies and TVs have the option to select the language and captions, so it might be a good idea to switch the language to Spanish sometimes.
 - Duolingo is also a great tool, because it has reading, writing, listening and speaking.
