Dear Families,

Hello, my name is Mrs. Davis. I am so excited to be your child’s kindergarten teacher this year! Your child is in the AM PM session of kindergarten this year!! This is my sixth year teaching in the best job in the world! I love kindergarten and love this wonderful school and community. We are going to have a FANTASTIC year!!

I live in Providence and have four kids! I love gardening, crocheting, disc golf, pickleball, and spending time with family. We are going to have a fun year meeting new friends, creating, and learning together. There are many wonderful things we will be learning about this year like butterflies, numbers, animals, math and (one of my favorites) how to read and write!

Some things I need you to do:

- **Sign up for Class Tag.** This is an app that we will use to communicate throughout the year. I’ve included instructions on how to do that.

- **Get a backpack and regular sized pencil box.** The back pack needs to be big enough to hold books and a homework folder. Most of you brought a pencil box to your assessment. If not please bring a basic pencil box to our back to school night and we will fill it up and get it ready for the first day of school.

I would love to see each of you at **Back to School Night, August 23, from 5:30-6:30**! Your child will get to become familiar with the classroom, find their cubby and seat for the first day of school, and fill their pencil box with all the supplies we will need. I will show you what homework will look like, have some sign-ups for volunteers, and some donations that would be helpful.

Please do not hesitate to call or email me with concerns or questions. I will get back to you as soon as possible.

Thanks so much and enjoy your last few weeks of summer,

Mrs. Davis
