

Welcome to 5th Grade! ☺ *Bienvenidos a 5^o Grado*

We are so excited for the upcoming school year! You will learn so much in 5th Grade. In teaching Math, we use the Go Math! program to learn about place value, decimal numbers, fractions, shapes, and so much more. We will explore various topics as we read stories in our Into Reading program. In science we will learn about Earth's Systems, Properties and Changes of Matter, and Ecosystems. We look forward to 5th grade projects! Some which will be completed in class and others that will require you to spend time completing at home, using what you've learned in class.

About Mrs. Thompson

Hello! My name is Mrs. Thompson and I am so excited to have you in my class. I grew up in Port Angeles, a small town in Washington State. I moved to Logan, Utah about 8 years ago to go to Utah State University. I have taught 5th grade for 4 years, and I have loved it! I love to go hiking and camping with my family whenever we can. My favorite place to go on vacation is Hawaii. I enjoy reading, watching movies, playing sports, cooking, and baking. Some of my favorite things are dark chocolate, lemonade, Dr. Pepper and Reese's. I can't wait to get to know you and be one of your teachers next year!

Sobre Maestra Jiménez

¡Hola, chicos! Estoy súper emocionada de tenerlos como mis alumnos de español en 5^o grado. Yo nací en Aguascalientes, México y me mudé a los Estados Unidos cuando solo tenía 4 años de edad. Crecí en el estado de Idaho. Fui a Utah State University por ocho años y recibí dos diplomas estando ahí. He sido maestra de 5^o grado por seis años y ¡me encanta enseñar en español! Me encanta pasar tiempo con toda mi familia y viajar a México para estar con mis abuelos. Mis botanas favoritas son Coca Cola y Ruffles de Queso. ¡Espero compartir un año increíble contigo el próximo año!

Suggested supplies for school:

- 4 Whiteboard markers and eraser (old sock ok). **Markers need to be replaced throughout the year**
- 5 **three-hole punched**, pocket folders in the following colors: Green, Yellow, Orange, Red, and Blue (**not** 3-prong folders)
