

Hello!

Welcome to my class! I am so excited to be your teacher next year. I think we will have a fabulous time in second grade. It is my first year in the DLI program, but I am excited for the new adventure. I can't wait until we meet in person and I get to know you better. My name is Mrs. Dahle. I have a wonderful husband and four amazing kids, two boys and two girls. My oldest son just graduated high school and is getting ready to go to college to play football. I have identical twin girls who will be starting high school next year. My youngest son will be starting middle school. I spend a lot of my time chasing my kids in all of their sporting events. If I am not watching my kids play sports, I love to read, bake, and I love to travel. I hope you have a wonderful summer break. Remember to be safe, have fun, and read, Read, READ!
