

Dear _____,

I am so excited to be your teacher in Kindergarten! We are going to have so much fun! We will meet new friends, create projects, and learn so many new things!!

We will learn about butterflies, numbers, animals, math and my favorite--how to read and write!

You may be nervous but we will see each other at Back to School night! You will get to see our classroom and I will show you your cubby and coat hook!

The only thing you need to bring is a backpack big enough to hold books and a homework folder and a regular sized pencil box. The school will supply the rest!

Here is an owl for you to color. In Kindergarten we do our best coloring so try to stay in the lines! See you at school!!
