

Welcome to 3rd Grade in Room 3 Welcome to the Third Grade! I am looking forward to getting to know you better this fall. This will be my sixth year teaching 3rd Grade at Heritage and I love it!! Third Graders are the very best! We will be learning so many new and interesting things together. This coming year in math we will learn our multiplication facts which are very fun. We will also learn how to write in cursive. I hope you are excited! I was raised in Cache Valley and I think it is one of the most beautiful places on Earth. I am married to a terrific man and have 4 incredible children. My oldest daughter lives in Canada with her husband. My only son and his wife live in St. Louis, Missouri. My number three and her husband live here in Cache Valley and attend Utah State University. My youngest daughter just graduated from high school and will be moving to Utah County this summer to attend UVU.. I also have an adorable gray Tabby cat named Mr. Bingley. When I am not busy teaching awesome Third Graders, I love to spend time with my family. I also love planting things and watching them grow. I love the ocean, kayaking, taking long walks, traveling, and cooking. My Favorite color is green. My weakness is any kind of chocolate. I hope you have a fantastic summer and have many incredible adventures!! One of the best ways to be prepared for 3rd grade is to read as many books as you can. See you in the Fall. I can't wait to meet you! ~ Mrs. Hansen
