Hola! Hello!

We are Mrs. Reed and Maestra Diego. You will have two teachers in 1st Grade! We are very excited to have you in our class! We can’t wait to meet you in the fall.

In first grade we will learn about so many fun and interesting things. We will learn about math and science, as well as, reading and writing in two languages, English and Spanish! How exciting! This is a huge challenge for 1st graders, but we would like to let you know that everyone can do it and we will be here to support you and help you all along the way. Also, did you know that we get three recesses in first grade? We are so lucky!

Mrs. Reed: I am from right here in Nibley Utah. I grew up here and still live here! I went to Nibley elementary which is just around the corner from Heritage. This will be my 3rd year teaching at Heritage Elementary and I absolutely love being a Husky :) I can’t wait to teach all my new students about reading, writing, and especially how to have fun! We will sing, play games, tell stories, and so much more. Here is a picture of me and my husband.
**Maestra Diego:** I am from Spain. This is the place where I grew up. It is called Cantabria. I will share with you a lot of beautiful things about Spain. We will learn a lot of songs in Spanish too.

We are going to have a fabulous year and we can't wait to get to know each and everyone of you!
