

# The Dragon Flier

Dear Parent(s),

With this season of Thanksgiving, I would like to extend thanks on behalf of the staff at Greenville Elementary. Thank you for the support you give to the school. We have many parents volunteer at the school who are a positive influence in the lives of the children. Thanks for the extra time and effort you invest to help your children with homework and getting them to school.

We would also like you to make note of the following:

With temperatures decreasing, some students are coming to school in shorts and/or without coats. If we were to have a fire or earthquake that required us to evacuate the building, these students would not be prepared for the weather. Please make sure your child is properly dressed for the day's weather when they leave home.

We truly hope you have a wonderful November.

Sincerely,

Troy Pugmire  
Principal  
Greenville Elementary
