

SHARP PNA Form A

NOTE TO PARENTS:

For the early Parental Consent process, we are submitting the 2011 SHARP Survey PNA forms for your review, as the 2013 forms are not yet finalized. The 2013 SHARP Survey PNA Forms will be extremely similar to the forms you are reviewing today, with a few minor changes. The following are changes that will be made to the forms that will be used in the coming year's survey:

- Most lifetime substance use questions will be removed and replaced with a question that asks students to either report that they had not used the substance, or to indicate an age of first use.
- Questions associated with Drug Free Communities Grant will be updated to include questions on:
 - perceived risks of binge drinking, heavy marijuana use, and use of prescription drugs for non-intended purposes,
 - perceived parental acceptability of marijuana use, prescription drug use, and heavy alcohol use, and
 - perceived peer acceptability of substance use.
- One question will be added to ask students if they have used synthetic drugs such as Spice or Bath Salts question in the past month. This question would be designed to assess regular use only.
- A question will be added to see where alcohol-using students are obtaining their alcohol.
- A question will be added to assess parental permissiveness of drinking.
- A question will be added to ask students where they saw tobacco advertisements or displays.
- Several health-related and tobacco-related questions will be removed.
- Several health-related questions regarding asthma, strength training, seat belt use, cell phone use while riding, and alcohol use will be added.

If you would like to see a copy of the final 2013 SHARP PNA Survey forms, please contact Mary Johnstun at 801-842-2682 or mary@bach-harrison.com and she will send you a form as soon as they are available.

PREVENTION NEEDS ASSESSMENT SURVEY

Form A

1. Thank you for agreeing to participate in this survey. The purpose of this survey is to learn how students in our schools feel about their community, family, peers, and school. The survey also asks about health behaviors.
2. The survey is completely voluntary and anonymous. **DO NOT put your name on the questionnaire.**
3. This is not a test, so there are no right or wrong answers. We would like you to work quickly so you can finish.
4. All of the questions should be answered by completely filling in one of the answer spaces. If you do not find an answer that fits exactly, use the one that comes closest. If any question does not apply to you, or you are not sure what it means, just leave it blank. You can skip any question that you do not wish to answer.
5. For questions that have the following answers: **NO! no yes YES!**
 Mark (the BIG) **NO!** if you think the statement is **DEFINITELY NOT TRUE** for you.
 Mark (the little) **no** if you think the statement is **MOSTLY NOT TRUE** for you.
 Mark (the little) **yes** if you think the statement is **MOSTLY TRUE** for you.
 Mark (the BIG) **YES!** if you think the statement is **DEFINITELY TRUE** for you.

Example: Chocolate is the best ice cream flavor.

NO! no yes YES!

In the example above, the student marked "yes" because he or she thinks the statement is mostly true.

6. Please mark only one answer for each question by completely filling in the circle with a #2 pencil.

Please fill in the following information with the help of your teacher/survey assistant.
